

FIA RX2e CHAMPIONSHIP

Season 2021

Sporting bulletin No. 1

10/05/2021

Given the ongoing consequences of the Covid-19 pandemic and the impossibility to organize collective testing ahead of the Championship by the appointed Championship operator and after consultation with Rallycross Championship Committee, the following has been agreed:

- Future Competitors can perform a full day of testing* ahead of the first ~~race~~ Competition of the Championship under the control of the appointed Championship operator. When Championship tracks are used, they must be partially modified.

**Full day of testing is between 30 and 40 km.*

For immediate application.
