To	The FIA Stewards of the Meeting	Date	14 July 2017
		Time	18:22

Technical Delegate's Report

The following drivers will start the tenth Event of the 2017 Formula One World Championship with a new gearbox:

Number	Car	Driver
14	McLaren Honda	Fernando Alonso
20	Haas Ferrari	Kevin Magnussen

The above drivers did not finish the last race in Spielberg and are in conformity with Article 23.5a of the 2017 Formula One Sporting Regulations.

Number	Car	Driver
77	Mercedes	Valtteri Bottas

The above driver did finish the last race in Spielberg and this gearbox change was before the six consecutive Events expired. As this is not in compliance with Article 23.5a of the 2017 Formula One Sporting Regulations, I am referring this matter to the stewards for their consideration. The team informed the technical delegate about the gearbox change on Friday, 14th July 2017, at 15:42 hours.

Number	Car	Driver
44	Mercedes	Lewis Hamilton

The above driver had to replace his previous gearbox during the last Event for a spare gearbox and this was before the six consecutive Events expired. Therefore he may use a new gearbox at this Event and the six consecutive Events will start here in accordance with Article 23.5a of the 2017 Formula One Sporting Regulations.

Jo Bauer

The FIA Formula One Technical Delegate
