

## **BERNARD SALT**

Bernard Salt is the national Partner responsible for KPMG's Demographics group. He has over 25 years' experience in providing demographic analysis and social commentary.

He is perhaps best known to the Australian business community for his commentary in the media on the implications of demographic and social change.

He is a twice-weekly columnist with The Australian newspaper and is an adjunct professor at Curtin University Business School.

Bernard is a futurist who uses high-altitude demographic data to interpret how society and business might evolve and has written five books on demographic change.
