

WORKSHOP

HOW TO ORGANISE A MAJOR CIRCUIT EVENT

1. Regarding the organisation of a major circuit event, which kind of possibilities and risks do I see, after careful consideration of all pros and cons to host an event and to obtain the described key role as ASN – and in which way do those differ from the topics shown up?
2. Regarding the organisation of a major circuit event, which kind of additional options may arise for my ASN after considering the topics shown up and which are already used by my ASN?
3. Regarding the organisation of a major circuit event, which kind of support would I appreciate from FIA or other ASNs.
