

# Guidance for participants

## Expected outcomes

- **Focus on 10 environmental rules** for spectators. A rule is composed of:
  - A group of words, **starting with a verb**, containing max 100 characters
  - **An icon, illustrating the issue**
- **The rules should be applicable to all**
  - **Type** of motor sport event (rally and track)
  - **Size** of events (i.e. for all ASN)
- The 10 rules should **cover different dimensions of environmental issues**

## Expected contribution

- **No censorship.** Feel free to express all your ideas
- **Provide food for thought**, with concrete illustrations
- Please **ask questions, raise debate**, be active
