

2013 ABU DHABI GRAND PRIX

From	The FIA Stewards of the Meeting	Document	44
To	The Team Manager Scuderia Ferrari	Date	03 November 2013
		Time	19:53

The Stewards, having received a report from the Race Director, heard from both the drivers and team representatives and examined video/telemetry evidence, have considered the following matter and determine the following.

No / Driver 3 - Fernando Alonso

Competitor Scuderia Ferrari

Time 18:23

Session Race

Fact Leaving the track and gaining an advantage at Turn 3.

Offence Alleged breach of Article 20.2 of the FIA Formula One Sporting Regulations.

Decision No Further Action.

Reason While Car 3 did leave the track at Turn 3-4 the stewards believe that he had no choice, as Car 18 closed on him. Car 18 was at the end of his stint with worn tyres and was fully committed to the Turn as Car 3 exited the pits. Telemetry confirms that Car 3 was significantly faster, on option tyres, and had the advantage throughout the sequence. The drivers' explanations were completely clear. Therefore the Stewards determine that neither car could avoid the incident, and no advantage was gained as a result of the incident.
