### Note to Teams

Further to the discussion in the drivers meeting yesterday evening I would like to remind all teams and drivers that we will adopt a “zero tolerance” approach to cars leaving the track on the exit of turn 8 during qualifying. Unless we are satisfied that a driver left the track at this point for reasons beyond his control, e.g. he was forced off the track and lost time, every lap time achieved by leaving the track will be deleted in accordance with Article 12.3.1.d of the Sporting Code.

I would also like to remind you that the white lines defining the track edges are considered part of the track but the kerbs are not.
