2015 Malaysian Grand Prix Note to the Media

Sepang, March 26th - In accordance with normal procedure, Williams-Martini Racing driver Valtteri Bottas was this morning examined by the FIA Medical Delegate and the Chief Medical Officer at the Sepang Circuit Medical Centre.

During the driver passed all mandatory fitness tests and has thus been declared fit to race in this weekend's Malaysian Grand Prix.

However, the driver has been informed that in case of a recurrence of pain or any abnormal feeling he must stop at the earliest opportunity.
