

LIST OF REQUIREMENTS FOR ORGANISERS OF THE FIA INTERNATIONAL HILL CLIMB CUP

1. STATUS OF THE COMPETITIONS

The Competitions have International status.

1.1 The ASNs shall nominate Competitions for inclusion in the FIA International Hill Climb Cup («the IHCC» or «the Cup»).

1.2 If there are more than two Competitions in a country, the ASN must give the order of priority.

1.3 A Competition may not be simultaneously registered by an ASN on the calendars of both the FIA European Hill Climb Championship and the FIA International Hill Climb Cup, unless a waiver is granted by the FIA.

2. COURSE

The courses used must have received the approval of the ASN concerned, without an inspection by the FIA being necessary.

3. CANDIDATURES

3.1 Submission

Candidatures can only reach the FIA via the ASNs, which guarantee the technical and organisational competence and financial solvency of the organisers.

Each ASN must send the FIA a dossier describing the sporting and technical characteristics of the Competition and details of its running in previous years.

The dossier must include the following documentation:

- Information concerning the services: spectator safety, officials, fire-fighting, rescue;
- Safety plan.
- Results with the details of the averages for each group of cars in the previous three editions;
- Possible special prescriptions issued by the administrative authorities when authorising the running of the Competition;
- Regulations of the Competition for the previous three editions on the same course;
- Report on the availability of hotel accommodation in the region, on the means of

communication and on the infrastructure of the region;

- three copies of the planimetry of the course and a detailed report on its characteristics;
- the number of Competitions organised, indicating which of these are international.

3.2 Procedure:

3.2.1 Before it can be included on the Cup calendar, a Competition must be organised with international status and in accordance with all the criteria required for Competitions counting towards the Cup, so that the FIA can assess its validity.

3.2.2 Any request for observation must be sent to the FIA by the ASN concerned at least 3 months before the Competition.

3.2.3 Two observers shall be appointed, and their travelling expenses and the cost of their stay shall be borne by the organisers.

- The first observer will be tasked with drafting a report on the organisational, sporting and technical aspects of the Competition.

- The second observer will be tasked with drafting a detailed report on the safety aspects, in collaboration with the safety officer for the Competition and the ASN's safety delegate.

3.2.4 The FIA Hill Climb Commission shall decide, on the basis of the observers' reports and other important factors such as the venue and the proposed date, whether the Competition can be accepted and included the following year or at a later date.

3.2.5 The inspection is valid for 3 years, on the following conditions:

- the Commission gives a favourable opinion as to the conformity of the Competition with the status of the Cup;
- the course remains unchanged;
- there is no change of «organising club».

In exceptional cases, the FIA Hill Climb Commission may accept waivers to the prescriptions described above.

4. REGULATIONS AND BULLETINS

The organiser must send one copy of the French or English version of the Supplementary Regulations with the ASN's visa via their ASN to the FIA , at least 2 months prior to the date on which the Competition is to take place, in order for the FIA to grant its visa in turn. Another copy must be sent to the general coordinator.

5. FIA OFFICIALS

5.1 Stewards

There must be three stewards, including at least one from a country different from that of the organiser.

5.2 Observer

The FIA observer's travelling expenses will be reimbursed by the FIA, but his accommodation and meals will be paid for by the organiser. The observer will be from a foreign country as close as possible to the Competition.

6. COMPETITORS' RELATION OFFICER

A Competitors' relation officer must be appointed by the organiser and be capable of speaking at least one major language from the Cup Region concerned.

7. CLASSIFICATIONS

Within 24 hours of the end of the Competition, the organiser will send to the general coordinator and, electronically, to the FIA Hill Climb Department (email: hillclimb@fia.com), the official classifications (general / groups), including starters having not finished.

Within 48 hours of the end of the Competition, the minutes, stewards' decisions and the list of penalties imposed, with reasons, must be transmitted to the FIA observer and, electronically, to the FIA Hill Climb Department.

All other bulletins must reach the FIA Hill Climb Department at the latest 8 days after the running of the Competition.

COMMUNICATION / LOGO FIA INTERNATIONAL HILL CLIMB CUP COUPE INTERNATIONALE DES COURSES DE CÔTE DE LA FIA

I. COMMUNICATION / LOGO

Les logos des Championnats de la FIA ont été introduits dans le but de représenter et d'unifier les Championnats Internationaux de la FIA à travers le monde. Ces logos ne peuvent être utilisés que dans le cadre de la promotion et de l'organisation d'une Compétition ou d'un championnat approuvés, et non dans toute situation pouvant impliquer une approbation ou une association commerciale.

Le logo d'un Championnat de la FIA ne doit pas apparaître aux côtés de tout autre logo FIA.

Les logos des Championnats de la FIA doivent toujours figurer en première position sur les documents imprimés, dans un espace suffisamment grand pour qu'ils ne soient pas recouverts par d'autres informations ou images. Le logo peut être imprimé en noir ou en blanc sur un fond de couleur sombre ou sur une photographie.

Le cas échéant, le logo du sponsor d'une Compétition peut figurer dans la partie inférieure du document imprimé et devrait être accompagné de la mention appropriée : «Official Competition Sponsor». (4.3 Championship Logos, «2011 FIA Brand Identity Guidelines»).

Les organisateurs doivent :

- assurer la visibilité du logo spécifique de la Coupe Internationale des Courses de Côte de la FIA («la Coupe») sur tout document imprimé (règlements, bulletins, rapports, classements, communiqués, etc.) et sur leur site internet en accord avec les lignes directrices de la FIA.

- assurer la visibilité des drapeaux et/ou de tout matériel promotionnel FIA.

- utiliser le titre officiel de la Coupe sur tout matériel officiel, de même que promouvoir son usage par les parties tierces menant des activités directement liées à la Coupe.

II. STANDARDISATION DES DOCUMENTS

LOGO DE LA COUPE

Dans toutes les Compétitions de la Coupe, le **logo spécifique ci-dessous** indiqué doit être exposé sur tous les documents officiels, sur les drapeaux, sur le podium, au départ et à l'arrivée, et sur le site internet de l'organisateur. **Le logo institutionnel de la FIA ne doit pas être utilisé.**

POSITION DU LOGO

Dans les documents officiels

Le titre et le logo de la Compétition, le logo officiel de la Coupe doivent figurer **au haut de tout document officiel**.

Les logos de la Compétition, du club et de l'ASN devraient être placés du côté gauche et le logo de la Coupe de la FIA **du côté droit**.

I. COMMUNICATION / LOGO

The FIA Championship logos have been introduced to represent and unify designated FIA International Championships around the world. The logos may only be used in connection with the promotion and organisation of an approved Competition or championship, and must not be applied in any situation that might imply an endorsement or a commercial association.

The FIA Championship logo must not appear with any other FIA logo.

The FIA Championship logos must always be given a prime position on printed material and sufficient space to ensure that it is not crowded by other information or imagery. The logo may print either black or white out of a dark background colour or photographic image.

When appropriate an Competition sponsor's logo may appear at the base of the printed material and should be accompanied by the relevant caption, i.e. «Official Competition Sponsor». (4.3 Championship Logos, «2011 FIA Brand Identity Guidelines»).

The organisers must:

- assure the visibility of the specific FIA International Hill Climb Cup logo on all printed material (regulations, bulletins, reports, classifications, communiqués, etc.) and on their website, in accordance with the FIA guidelines.

- ensure the visibility of the flags and/or all FIA promotional material.

- use the official title of the Cup on all official material and also promote their use by any third parties engaging in activities directly linked to the Cup.

II. STANDARDISATION OF THE DOCUMENTS

FIA CUP LOGO

In every FIA Cup Competition, **the specific logo shown below** must appear on all official documents, on the flags, on the podium, at the start and at the finish, as well as on the organiser's website.

The FIA master logo must not be used.

POSITION OF THE LOGO

Official documentation

The title and logo of the Competition and the official logo of the FIA Cup must appear **at the top of every official document**.

The logos of the Competitions, the club and the ASN should appear on the left-hand side and the FIA Cup logo should appear **on the right-hand side**.
