**SUBJECT:** Segregation and reintroduction of tyres process

## APPLICABLE REGULATION

**Article 6.5.3**  2024 FIA World Endurance Championship Sporting Regulations

## DECISION

As per Article 6.5.3 of the FIA World Endurance Championship Sporting Regulations, the WEC Committee will define the details for the random attribution mechanism and the tyre collection and reintroduction mechanism.

For 29/34 tyres

The Technical Delegates will randomly assign one set of tyres of each specification to every competitor using the 29/34 tyre layout.

For Le Mans, the Technical Delegates will randomly assign two sets of tyres of each specification to every competitor using the 29/34 tyre layout.

These tyres will have to be used on the first introduction of the specification in qualifying and/or the race.
