Update of Appendix L Chapter I "FIA International Drivers' Licences" - Article 4 "Qualification for Grades A and B"

Dear Sir or Madam,

We would like to inform you that the qualification requirements for the Grade A licence regulation were updated following the World Motor Sport Council held in June in Turin, and can be found on the FIA website at the following link: www.fia.com.

In addition to the previous requirements, the new regulation allows a driver who finishes in the top 5 of the final classification of the FIA F3 European Championship in the current or previous year to be eligible for a Grade A licence.

The updated regulation is applicable immediately.

We remain at your disposal for any further information you may require.

Yours faithfully,

Nuno Costa
