The Stewards have received a request from Sauber F1 Team to allow car 9 to start the race despite failing to set a qualifying time within 107% of the fastest time in Q1.

In accordance with Article 35.1 of the FIA Formula One Sporting Regulations, the Stewards grant permission for car 9 Marcus Ericson to start the race, as the driver has set satisfactory times in practice at this Event.

As there is more than one driver that failed to set a qualifying time within 107% of the fastest time in Q1, the cars will be arranged on the grid in the order they were classified in P3.
