Note to Teams

During P1 many drivers appeared to make little or no effort to stay on the track on the exit of turn 1, in fact, one driver left the track 14 times. Therefore, for P2 and P3 any driver who is judged to have left the track three times at turn 1 will be reported to the stewards for not having made every reasonable effort to use the track.

However, if we are satisfied that a driver left the track at this point for reasons beyond his control such a crossing will not be counted towards his total in the session.
