The Stewards, having received a report from the Race Director, heard from the driver and team representative, examined video evidence, have considered the following matter, and determine a breach of the regulations has been committed by the competitor named below and impose the penalty referred to.

No / Driver 5 - Sebastian Vettel

Competitor Scuderia Ferrari

Time 15:03

Session Race

Fact Causing a collision with car 6 in Turn 1.

Offence Involved in an incident as defined by Article 38.1 of the FIA Formula One Sporting Regulations

Decision 3 grid position penalty at the driver's next Event.
(2 penalty points awarded, 4 points in total for the 12 month period).

Reason Having thoroughly reviewed the video and having spoken to the driver concerned, the Stewards determined that although the cars involved in the incident were all moving at relatively similar speeds, the driver of Car 5 made a small error entering to the inside of turn 1 that led to the contact with Car 6. As a consequence, Car 6 was caused to spin from second place and loose multiple positions, which the Stewards determined was predominantly the fault of the driver of Car 5 and therefore ordered the penalty above for causing a collision.
