Technical Delegate's Report

The following drivers will start the eighteenth Event of the 2016 Formula One World Championship with a new gearbox:

Number	Car	Driver
07	Ferrari	Kimi Räikkönen
94	MRT Mercedes	Pascal Wehrlein

The above drivers had to replace their previous gearbox during the last Event for a spare gearbox and this was before the six consecutive Events expired. Therefore they may use a new gearbox at this Event and the six consecutive Events will start here in accordance with Article 23.6a of the 2016 Formula One Sporting Regulations.
