A250 turbo

FIA homologation number/

National homologation number:

Chassis frame number: Vuik TCR

001

Full description of the request

Request(s): We are currently building A new Mercedes A class according TCR regulations but we are not sure we get the aproval that we need by Mercedes-Benz to enter it for the TCR series. Would our car be allowed in the FIA WTCC and FIA ETCC if we build it according the TCN2 rules.

As manufacturer of these cars of course we would like to have a market for our cars, and if possible we will run Them in our team aswell.

Best regards

Henk Vuik

Reason(s):

Missions concerned (to be completed by the Committee)

- 1) examination of any request for a technical change concerning the homologation form of a vehicle,
- 2) conformity with the spirit of the FIA Super 2000 Regulations,
- 3) prohibition of any developments that would result in a significant increase in the costs of cars,
- 4) examination of any request from competitor wishing to take part in an FIA event with a car complying with national regulations,
- 5) to review at the end of each season the relative performance of the various different formats of vehicles and any other parameters, with the objective of maintaining equal opportunity for all competitors. Any recommendations for the following season will be proposed beforehand to the Touring car Commission for approval,
- 6) at any moment during the season, to reconsider the technical dispensations granted for performance reasons.

Decision (to be completed by the Committee)

- Accepted as requested
- Accepted subject to the approval of the TC Technical Working Group
- Accepted subject to the approval of the TC Commission
- Refused
- Suspended
- Accepted with the following modifications/conditions:

Accepted by the TWG on:

	Conditions fulfilled on:
--	--------------------------
