

2017 CANADIAN GRAND PRIX

From	The FIA Stewards of the Meeting	Document	36
To	The Team Manager, Scuderia Toro Rosso	Date	11 June 2017
		Time	14:54

The Stewards, having received a report from the Race Director, examined video evidence, have considered the following matter and determine the following:

No / Driver 26 - Daniil Kvyat

Competitor Scuderia Toro Rosso

Time 14:02

Session Race

Fact Car 26 did not re-establish the original starting order before reaching the first safety car line.

Offence Breach of Article 36.8 of the FIA Formula One Sporting Regulations.

Decision Drive-through penalty plus 10 Second Time Penalty (see below).
(2 penalty points awarded, 5 points total for the 12 month period)

Reason Article 36.2 requires that the driver may re-establish his original starting position but must do so before the first safety car line, which in this case, he did not. He therefore was required to enter the pit lane and start from the end of the pit lane, which again, he did not.

NOTE: In accordance with Article 36.2 the penalty for this offence should have been a penalty under Article 38.3d. Instead a Drive Through penalty was incorrectly imposed when the penalty should have been a 10 second stop and go. Accordingly an additional 10 second time penalty is imposed
