### TECHNICAL DELEGATE'S REPORT

The following drivers will use a new motor generator unit-heat (MGU-H) for the remainder of the Event:

<b><i>Number</i></b>	<b><i>Car</i></b>	<b><i>Driver</i></b>	<b><i>Previously used MGU-H</i></b>
10	Toro Rosso	Pierre Gasly	6

The motor generator unit-heat used by Pierre Gasly is the seventh new motor generator unit-heat for the 2017 Championship season and as this is not in conformity with Article 23.3a of the 2017 Formula One Sporting Regulations, I am referring this matter to the stewards for their consideration. The team informed the technical delegate about the MGU-H change on 24<sup>th</sup> October 2017, at 11:50 hours.
