FIA EUROPEAN DRAG RACING CHAMPIONSHIP – TECHNICAL NOTIFICATION # 2018/02

From The FIA Technical Delegate

Date 15 August 2018

To All Competitors participating in the FIA European Drag Racing Championship

Concerning Revision to Technical Notification #2018/01 SIMPSON SFI 3.3/20 RT-20 Drag Shoe

Please be advised that after a clarification from the SFI Foundation and NHRA, I can confirm that any shoe meeting SFI Standard 3.3/20 with a minimum height of 152mm (6") measuring the back of the shoe, is considered as a boot and is therefore permitted for use in competition where the Rules state "**3.3/20 Boots are mandatory**".

This includes the above mentioned Simpson RT-20 Drag Shoe.

Required SFI label for 3.3/20 Boots

Sincerely your

Frans Steilberg – FIA Technical Delegate for Drag Racing
