Technical Delegate's Report

After the third free practice session today the gearbox of car number 06, driver Nico Rosberg, was replaced for a new one.

This gearbox change was before the six consecutive Events expired. Therefore this is not in compliance with Article 23.6a of the 2016 Formula One Sporting Regulations and I am referring this matter to the stewards for their consideration.

The team informed the technical delegate about the gearbox change on Saturday, 02 July 2016, at 12:04 hours.
