The Stewards, having received a report from the Race Director, heard from the driver and team representative, and examined video evidence, have considered the following matter and determine the following

**No / Driver** 55 - Carlos Sainz

**Competitor** Scuderia Toro Rosso

**Time** 11:29

**Session** Practice 1

**Fact** Car 55 was not driven immediately back onto the track from the pit stop position.

**Offence** Alleged Breach of 10.1 b) of the Race Director's Event Notes

**Decision** No further action.

**Reason** Prior to the pit stop the car suffered an electrical problem exiting the pit lane. The problem appeared to be resolved and the car returned to the track, did a scheduled stop and "rubber lay" then on leaving the pit location the RPM dropped and declutching occurred. The driver decided in the interest of safety not to return to the track.
