

EAX – 2024 - Sporting Bulletin n°6

Date: 28/05/24

Subject: 2024 Tyre Nominations

- 1) For the 2024 FIA European Cross Car Championship event; Round 3 – Vilkyčiai – 8/9th June 2024 in consideration of the additional tyre wear experienced at this event and in modification of Article 10.3.1, the tyres nomination for this event will be as follows;

Class	Model	Size	Compound
Super Buggy	R800 / R900	205/65-15	K71
Buggy 1600	R800	175/70-15	K33
Junior Buggy	R800	175/65-14	K33

In line with Art. 10.3.3 any “newly registered” tyres for Round 3 – Vilkyčiai should be R900 tread pattern and any previously registered should be R800.

In addition,

- 2) For the following event; Round 3 – Vilkyčiai – Art 10.3.3 of the Sporting Regulations will be modified to allow ~~two~~ **four** additional previously registered tyres to be used to account for high tyre wear rate expected at this event without adding to the total number of tyres used in the series. The change will be expressed as follows;

Super Buggy Class

Round	Number of New Tyres	Total Number of Tyres
3 – Vilkyčiai	6	12 14

So to clarify – for Round 3 – Vilkyčiai – Super Buggy drivers will be able to get 6 x newly registered R900 and use 8 x previously registered R800 tyres.

Tyre wear will be very carefully monitored at this event and a decision made for the future races.

Ends...
