### Technical Delegate's Report

The following drivers will start the eighteenth Event of the 2015 Formula One World Championship with a new internal combustion engine (ICE):

<b>Number</b>	<b>Car</b>	<b>Driver</b>	<b>Previously used ICE</b>
03	Red Bull Racing Renault	Daniel Ricciardo	7

The internal combustion engine used by Daniel Ricciardo is the eighth new internal combustion engine for the 2015 Championship season and as this is not in conformity with Article 28.4a and 28.4b of the 2015 Formula One Sporting Regulations, I am referring this matter to the stewards for their consideration. The team informed the technical delegate about the ICE change on Tuesday, 03<sup>rd</sup> November 2015, at 18:31 hours.
