

2015 AUSTRALIAN GRAND PRIX

From	The FIA Stewards of the Meeting	Document	33
To	The Team Manager, Manor Marussia F1 Team	Date	15 March 2015
		Time	18:26

The stewards convened to determine whether there had been a breach of Article 13.2 (f) of the FIA Formula One Sporting Regulations relating to participation in the event by the Manor Marussia F1 Team.

The Stewards received a written explanation from the team and were provided with further information by team representatives.

In addition the stewards received information from the FIA Technical Delegate.

Having considered all available material, the Stewards determined that there had not been a breach of Article 13.2 (f), on the basis that the team had:

1. Attended the event
 2. Brought a significant quantity of material and equipment with it
 3. Produced all required documents for checking
 4. Taken part in Scrutineering and its 2 cars were eligible to compete
 5. Brought sufficient staff to prepare the cars for competition
 6. Continued to work and do all within its ability to enable the 2 cars to compete
 7. Prepared the cars to a state where they were mechanically complete
 8. Would not have been able to achieve a software configuration that allowed the 2 cars to be operated in Practice or Qualifying sessions, even if they had worked outside curfew requirements
- Therefore the Stewards accepted that the team explained it had used all reasonable endeavours to ensure that its cars were able to compete in active competition, therefore the Stewards take no further action during the event.
