Re:	Clarification of article 10.4.2.9 in the Sporting Regulations regarding pit stop rules			

## **Mission concerned**

2018-2019 FIA World Endurance Championship Sporting Regulations

## Decision

Please find below a clarification regarding the pit stop rules (clarification in yellow) in reference to Article 10.4.2.9 – Sporting Regulations :

10.4.2.9 – <u>Qualifying practice</u> During the qualifying practice session, it is prohibited for a car to go into its garage; it must stay on the pit lane (on pain of cancellation of the times set before the car entered its garage).	
<ul> <li>Cars not taking part in the session (e.g. GTE during the prototypes session, prototypes during the GTE session) must imperatively be placed inside their garages, except those which must proceed to scrutineering.</li> </ul>	
<ul> <li>At the end of the qualifying practice session, the cars must go inside their garage, except those which must proceed to scrutineering. Those cars that have to go for scrutineering at the end of the practice session may change wheels with the agreement of an official.</li> </ul>	
<ul> <li>For GTE competitors : it is strictly forbidden to lift their car to go inside their garage or to go in the scrutineering area</li> </ul>	
At the end of the qualifying session, only for the cars which are under Parc  Fermé conditions in their garage, teams are allowed only to check tyres pressures, tyres temperature, remove the data logger USB stick and the driver may exit the car. No other checks may be completed	
<ul> <li>Lifting of the Parc Fermé rules will be confirmed to the competitors on the orders of Race Control.</li> <li>Competitors in prototypes will be authorised to take the cars out of the garages and place them on the pit lane only once allowed by the Race Director.</li> </ul>
