After the third free practice session today the gearbox of car number 14, driver Fernando Alonso, was replaced for a new one.

This gearbox change was before the six consecutive Events expired. Therefore this is not in compliance with Article 28.6a of the 2015 Formula One Sporting Regulations and I am referring this matter to the stewards for their consideration.

The team informed the technical delegate about the gearbox change on Saturday, 20th June 2015, at 11:53 hours.
