### Technical Delegate's Report

After the qualifying practice session the gearbox of car number 08, driver Romain Grosjean, was replaced for a new one.

The gearbox has been replaced with the approval of the FIA technical delegate following a written request from the team concerned, this being in accordance with Article 34.2 of the 2018 Formula One Sporting Regulations.

This gearbox change was before the six consecutive Events expired. Therefore this is not in compliance with Article 23.5a of the 2018 Formula One Sporting Regulations and I am referring this matter to the stewards for their consideration.

The team informed the technical delegate about the gearbox change on 28 April 2018, at 19:52 hours.
