Note to Teams

From this race onwards, a post-race parc fermé live interview procedure will take place as follows :

- At the of the race top three cars will enter the pit lane and, as usual, stop in the designated parc fermé area.
- Once the drivers jump out of their cars they will be asked to remove the helmets as quickly as possible and stand in front of the backdrop - which reproduces the podium backdrop - located at the garage 1 door.
- There will be two cameramen and one journalist (here in Azerbaijan David Coulthard) who will briefly interview the drivers in no specific order: first come, first interviewed.
- While one driver is being interviewed the others will be weighed by the FIA on the scales located in the parc fermé area.
- Once the interviews have been completed drivers will be escorted to the cool down room and then to the podium for the podium ceremony.
- No podium interviews will take place. At the end of the podium ceremony the drivers will be escorted by the FIA Media Delegate directly to the press conference room in a six-seater buggy.
