Request for Right of Review – Summons

The Stewards have received a request from Williams Martini Racing for them to review, in accordance with Article 14.1.1 of the FIA International Sporting Code, the following decisions made by the Stewards at the 2018 Azerbaijan Grand Prix.

Decision in Document 34

Decision in Document 43

Decision in Document 51

The team has also requested the Stewards review an incident involving cars 17, 27 and 35 in Turn 2 of Lap 1 of the race and the actions of the driver of car 14 in returning to the pits. (The Stewards note that the reference to car 17 above is most likely incorrect and it should be car 14, namely Fernando Alonso). You are requested to appear before the Stewards to provide evidence in relation to the request. There shall be a preliminary hearing to determine if a “new element” as defined in Article 14.3 of the Code exists.

This will be followed by another hearing to conduct the review(s), if any new element is determined by the stewards, to exist. It should be noted that the second hearing will occur only if such new element is determined in accordance with the Code, to exist.

Unless you object and in consideration of the request by Williams Martini Racing for this matter to be resolved this week, prior to the start of the Spanish Grand Prix, the hearings will take place by teleconference. You shall be provided with appropriate dial in numbers and access pins.

The first hearing will be at 10am London time on Tuesday May 8 (11am Central European Time). Should then a new element or elements be identified, a second hearing to conduct the review(s) will be held one hour later at 11am London time (Noon Central European Time) on the same day, Tuesday May 8.
