

2026 FIA GT WORLD CUP

REGISTRATION PROCESS

DEAR DRIVERS & COMPETITORS,

We thank you for your interest in the upcoming 2026 FIA GT World Cup which will take place at the mythical Circuito da Guia in Macau. The event is organised in close cooperation between the FIA, the Macau Grand Prix, and SRO, and brings the top GT drivers and manufacturers from across the world. The 2026 edition will run alongside the FIA FR and F4 World Cups, as well as the final round of the Kumho FIA TCR World Tour.

To help ensure a stellar grid, the registration process is divided into two phases with a dedicated Selection Committee choosing which drivers will make the final line-up.

We invite you to study the details provided in this document and to register for the event!

1. EVENT INFORMATION

The event will take place from November 19 to 22.

PROVISIONAL TIMETABLE

TUE 17 NOV	Scrutineering Arrival of all drivers Driver photoshoots begin
WED 18 NOV	Admin Checks Drivers' Briefing
THU 19 NOV	Track sessions begin
SUN 22 NOV	Track sessions end Macau GP Prize-Giving

SPORTING FORMAT

- 2 x Free Practice (30 minutes each)
- 1 x Q1 (30 minutes)
- 1 x Q2 (Top 8 drivers)
- 1 x Qualifying Race (12 laps or 60 minutes)
- 1 x Main Race (16 laps or 70 minutes)

2. NEW IN 2026

Following the takeaways from the 2025 edition and consultations with teams and drivers, the **format of Q2 has been adjusted**. Drivers will now be released at shorter intervals, while maintaining the "super pole" feeling of being alone on the track. This change aims to improve efficiency and shorten the length of the session.

To recognise the growing number of Silver drivers, **the GT World Cup will now also award a trophy to the winning Silver Driver**, provided that there are at least three drivers registered in the category. This trophy will be awarded alongside a prize fund of USD 22,000.

3. FIA REGULATIONS

The Competition will be run according to the FIA GT World Cup - 2026 Sporting Regulations, which are available on the FIA website: <https://www.fia.com/regulation/category/629>

Participation is reserved exclusively for Grand Touring Cars (Group GT3) as defined by the applicable Technical Regulations - Article 257A, Appendix J of the 2026 FIA International Sporting Code. The full documents is available on <https://www.fia.com/regulation/category/123>

4. DRIVER ELIGIBILITY

Drivers wishing to compete in the event must be categorised by the FIA as Platinum, Gold, Silver, or Bronze and hold an FIA Grade "ITC-C" or above international license (as per Art. 5 of the Sporting Regulations).

Interested drivers must have taken part in at least one GT race (which has been registered on the FIA International Sporting Calendar) during the past two seasons or must have significant experience in GT racing. Should a driver be deemed to not have enough experience, the Selection Committee reserves the right to refuse their entry.

For more information regarding driver eligibility, please see the related article.
