Note to Teams

As in previous races, the same post-qualifying interview procedures will also be used here in Baku, only this time the top three drivers will be interviewed as soon as they get out of their cars after they've reached parc fermé.

Should either of your drivers be among the top three at the end of qualifying we would like to ask for your co-operation in following the simple procedure set out below :

- At the end of Q3 the top three drivers should stop at the post-race parc fermé located at the pit entry beside the race control building.
- Once out of their cars the drivers will be interviewed in parc fermé.
- At the end of the interviews the drivers will be weighed and then pose for the traditional FIA Action for Road Safety photo shoot.
- The drivers should then walk to the press conference room and then on to the TV pen.
- If a driver is in his garage at the end of the session please could one of your team escort him immediately to the parc fermé.
- As before no team PRs or physios will be allowed in the parc fermé.

I trust this is clear and that it will not cause you or your team any difficulty.
