Technical Delegate's Report

The gearbox of car number 03, driver Daniel Ricciardo, has been replaced during the Parc Fermé.

The gearbox has been replaced with the approval of the FIA technical delegate following a written request from the team concerned, this being in accordance with Article 34.2 of the 2017 Formula One Sporting Regulations.

But this gearbox change was before the six consecutive Events expired. Therefore this is not in compliance with Article 23.5a of the 2017 Formula One Sporting Regulations.

I am referring this matter to the stewards for their consideration.

Jo Bauer
