### Note to Teams

Following the initiatives undertaken in Spain to boost fan engagement the same post-qualifying interview procedures will also be used here in Monaco, therefore, the top drivers will once again be interviewed on track in front of the fans.

Should either of your drivers be among the top three at the end of qualifying we would like to ask for your co-operation in following the simple procedure set out below :

- Cars will enter parc ferme at the conclusion of qualifying.
- The top three drivers will be collected from their cars and will be taken to the interview area close to the parc ferme. Please note that no team PRs or physios will be allowed on the track where the interviews are being conducted.
- The drivers will then be weighed in FIA garage followed by the normal photo shoot in the parc ferme.
- The drivers will then be transferred to press conference.
- Press conference.
- TV pen.

I trust this is clear and that it will not cause you or your team any difficulty.
