### Technical Delegate's Report

The following driver will use a new control electronics (CE) for the remainder of the Event:

<b><i>NumberCar</i></b>		<b><i>Driver</i></b>	<b><i>Previously used CE</i></b>
28	Manor Ferrari	Will Stevens	4

The control electronics used by Will Stevens is the fifth new control electronics for the 2015 Championship season and as this is not in conformity with Article 28.4a and 28.4b of the 2015 Formula One Sporting Regulations, I am referring this matter to the stewards for their consideration. The team informed the technical delegate about the CE change on Friday, 27th November 2015, at 21:58 hours.
