Technical Delegate's Report

The mechanical set-up of car number 98, driver Roberto Merhi, was changed during Parc Fermé with the approval of the FIA technical delegate following a written request from the team concerned.

As this set-up change of the suspension is a breach of Article 34.6 of the 2015 Formula One Sporting Regulations the driver Roberto Merhi should start the race from the pit lane and should follow the procedures laid out in Article 38.2 of the 2015 Formula One Sporting Regulations.

I am referring this matter to the stewards for their consideration.

Jo Bauer

The FIA Formula One Technical Delegate
