Technical Delegate's Report

Today car number 30, Renault Sport Formula 1 Team, underwent preliminary scrutineering.

The car was found to be in conformity with the safety requirements of the 2016 FIA Formula One Technical Regulations.

The following part has been replaced during the Parc Fermé yesterday and today by the Haas F1 Team for a part with a different specification:

Car 08: Floor

The part has been replaced with the approval of the FIA technical delegate following a written request from the team concerned, this being in accordance with Article 34.2 of the 2016 Formula One Sporting Regulations.

But as the replacement part is different from the one originally used, this is not in compliance with Article 34.2 of the 2016 Formula One Sporting Regulations and I am referring this matter to the stewards for their consideration.

Jo Bauer
