TECHNICAL DELEGATE'S REPORT

The following driver will use a new control electronics (CE) for the remainder of the Event:

| <i>Number</i> | <i>Car</i> | <i>Driver</i> | <i>Previously used CE</i> |
|----------------------|-------------------|----------------------|----------------------------------|
| 22 | McLaren Honda | Jenson Button | 5 |

The control electronics used by Jenson Button is the sixth new control electronics for the 2015 Championship season and as this is not in conformity with Article 28.4a and 28.4b of the 2015 Formula One Sporting Regulations, I am referring this matter to the stewards for their consideration. The team informed the technical delegate about the CE change on Wednesday, 28th October 2015, at 17:15 hours.
