2. ACCREDITATION PRINCIPLES

World RX organisers and the FIA consider the ‘Media' pass to be a working tool to be used only by bona fide members of the press. Only the following media will be accredited:

A) Those that have a minimum circulation and whose size and quality fulfil the criteria of the FIA;
B) With a format and quality which fulfil the criteria of the FIA;
C) Which are on sale to the public via retail outlets (trade, club or internal company magazines will not be accepted). However, at the sole discretion of the FIA and where the quality and criteria justify their consideration, such magazines may be considered on a case-by-case basis

Under no circumstances will advertising, public relations agencies or similar companies including representatives of suppliers be given media accreditation to an event.

National press will be contacted by the National Press Officer (e.g Latvian press applying for the event in Latvia will be contacted by the Latvian National Press Officer, while press from countries other than Latvia will be contacted by the World RX PR & Communications Manager).

The central and local offices for the major international press agencies (AP, AFP, Reuters, ANSA, UPI, DPA, LUSA, BELGA, JIJI, EFE, Press Association, SAPA, APA etc) will always be accredited.

3. ACCREDITATION CRITERIA

3.1 JOURNALIST/PHOTOGRAPHER

Accreditation decisions are based on the relative media market in the country of the applicant. As such, the usual minimum circulation for a national weekly or monthly is 20,000 copies. For a national daily, the minimum circulation is 40,000 copies.

Freelance journalists must stipulate which media outlet they are working on behalf of and give evidence of the coverage they will be providing.
Media passes can be allocated to general news, specialist, business and lifestyle consumer publications that do not intend to publish conventional RX reports but whose coverage is considered to be of promotional benefit to the sport.

Photographer applications must follow similar criteria. Photo agencies must be able to provide that its pictures have been regularly sold to publications matching the FIA criteria and have been paid for at normal commercial rate.

3.2 WEBSITE/ONLINE
For websites, it must be noted that only journalists can be granted accreditation (not photographers) and only one representative per website will be accredited.

The applicant must be a professionally-run website dedicated to report on World RX and its events or a professionally-run general news/sports website with a dedicated championship section. In each case, all and any coverage of the championship must be free of charge.

The website must have a suitable written Privacy Policy, a Right to Reply/Complaints Policy and otherwise comply with all laws, regulations, guidelines and good practice relating to the operation of a website.

Please note that due to the limited space available for media at World RX events, compliance with the above cannot guarantee internet accreditation.

A copyright free pool of images will be available via the World RX Media Room (www.fiaworldrallycross.com/mediaroom) and is available for all media to use when publishing stories. Please use photo credit World RX or fiaworldrallycross.com.

4. COMMERCIAL PHOTOGRAPHERS
Photographers or photo agencies who sell pictures they have taken at World RX events to teams and drivers or any third-party source must be aware that there is a commercial photography fee in operation. For further information, please contact the World RX PR & Communications Manager (accreditation@fiaworldrallycross.com).

5. FILMING
Nobody is permitted to film on-track race action at any time due to World RX broadcaster contracts. Punishment for filming on-track action will be the immediate removal of all media accreditation and removal from the venue.

For international and national broadcasters paddock filming is permitted, but applicants must go through the official accreditation process via broadcast@fiaworldrallycross.com.

6. TEAM MEDIA PASSES
It is with regret that we cannot offer all drivers competing at World RX events the right to have an accredited press officer/PR person. Only the following entries are entitled to one press officer/PR person:

- Permanent World Championship Competitors
- Competitors with a commercial agreement with Rallycross Promoter GmbH
- Rallycross Promoter-nominated ‘Wildcard’ drivers

The press officer must provide suitable evidence that they are actually working at the event to promote their driver. They will have full access to the press room to carry out their duties.
