

3M

3M is a diversified technology company, with an annual turnover of around 31 billion dollars; 89,000 employees in more than 70 countries around the world, and with sales in almost 200 countries. In the past five years we have spent more than \$7.6 billion on research and development to ensure that our people can continue to meet our customers' needs.

Through our 5 market-leading business groups, we turn our ideas into ingenious products and solutions that make life better for our customers every day:

- Consumer: Simplifying life and work
- Electronics & Energy: Enabling the global power and telecommunications networks and the world's electronic devices
- Health Care: Promoting health and improving quality care
- Industrial: From purification to aerospace –changing how industry works
- Safety & Graphics: Keeping you safe, your world secure and enhancing visual communication and interactivity

3M is a global leader in providing Hearing Protection Solutions for use in high noise environments. 3M™ Peltor™ Communication Headsets are used at World Rally Championship, Formula 1, World Rally Cross and MotoGP events around the world. For over two decades, the world's leading rally sport teams battling for world championships have put their faith in 3M™ PELTOR™ intercom systems.
