

Nicolas Deschaux

FFSA President

Nicolas Deschaux is President of the Fédération Française de Sport Automobile (FFSA) since 2007. He is also a member of the FIA World Motor Sport Council since 2009, the Official Representative to the President for the co-ordination of the regions and the zones.

Nicolas is a member of FIA Funding Review Commission, ASN Development Task Force and International Series Working Group. Since 2006, he has been implicated in FIA as F1 Steward (2008; 2010; 2011) and President of the “Commission Internationale de Karting” (2009-2010).

He started at FFSA a Deputy General Director in 2001 and became a member of the Board in 2005. The same year, he has been promoted General Secretary. In 2006, he has been appointed FFSA Delegate President.

Nicolas studied at “Centre Régional de Formation à la Profession d’Avocat”. He has a Master’s degree (DESS) in sport law and economics, another Master’s degree (DEA) in private and European law and a Master in private and international law.

He is also the Founding member, legal advisor and actioner of ULLINK SAS (software editing).
