Decision of the Stewards

Qualifying Format Brazilian Grand Prix.

In view of the non-participation of two teams in the 2014 Brazilian Grand Prix, the Stewards have been requested to clarify the format for Qualifying Practice.

Accordingly, under the authority granted to the Stewards in Article 11.9 of the International Sporting Code, having regard to the principles established in the Formula One Sporting Regulations Article 33.1, and consistent with the decision at the 2014 United States Grand Prix, the Stewards decide that the slowest 4 cars in Q1 will be prohibited from taking any further part in the session, and the slowest 4 cars in Q2 will likewise be prohibited from taking any further part in the session.
