Note to Teams

Due to the nature of the pit exit we do not expect any driver intending to carry out a practice start to carry out any pre-start routines, this will be considered driving unnecessarily slowly in the pit exit and a report will be made to the stewards as a breach of Article 30.13 of the Sporting Regulations.

Therefore, and for the avoidance of doubt, any driver intending to carry out a practice start at the pit exit must drive to the allocated place as quickly as possible without slowing to carry out "burn-outs", "clutch learns" or any associated pre-start routine.

This will apply at all times during the remainder of the Event.

Charlie Whiting
