We would like to ask for your co-operation in following the simple procedure set out below:

- Drivers who finish the race in the top three positions will be required to enter pit lane and proceed directly to the 1,2,3 boards which will be located under the Podium.
- Once out of their cars, the interviews will take place in this designated area. The interviewer will be Martin Brundle.
- Drivers must not interfere with parc fermé protocols in any way.
- At the end of the live interviews, the drivers will be escorted by the FIA Press Delegate behind the podium, where the cool down area is located.
- These drivers will be weighed by the FIA in the cool down area before the podium ceremony.
- At the end of podium ceremony, the top three drivers will go downstairs to the TV pen, located between the FIA and F1 Motorhomes at the Pit Entry end of the Paddock and they may be accompanied by their press officers.
- After the TV pen interviews, the top three drivers will transported by shuttle to the FIA Press Conference located on the 4th floor of the Baden-Württemberg Centre.
- Parc fermé for all finishers outside of the top three will be located at the Pit Entry on the drivers' right-hand side.
- Drivers classified from 4th and beyond must proceed directly to the TV pen immediately after they have been weighed in the parc fermé, located in the FIA garage.
