Updates 2021 F2 Technical Regulations

- 5.1 The weight of the car with the driver aboard wearing his complete racing apparel must not be less than **787 kg** at all times during an Event or Official Test.

The final value will be established after all drivers and cars have been weighed during the first Official test. The value will be approved by the Steering Committee and published at least 2 weeks before the first Event.

Florian Bartsch
FIA F2 Technical Delegate

Didier Perrin
F2 Technical Director
