

2022 IMOLA EVENT

21 to 24 April 2022

From	The Stewards	Document	81
To	The Team Manager, Trident	Date	24 April 2022
		Time	14:41

The Stewards, having received a report from the FIA F3 Technical Delegate, have considered the following matter and determine the following:

No / Driver 2 - Roman Stanek

Competitor Trident

Time 12:37

Session Race 2

Fact The team used a rear part of a plank that was not allocated to Car 2 during Race 2.

Offence Breach of Article 24.16 of the 2022 FIA Formula 3 Sporting Regulations.

Decision Fine of 7.500€ (seven thousand five hundred) to the Competitor. In addition, the total number of rear parts of a plank to be used by Car 2 during the 2022 season shall be reduced by two (2).

Reason The Stewards summoned and heard the team representative (document 78).
A hearing took place in the company of the FIA F3 Technical Delegate. During the hearing, the team representative and the race engineer admitted that they mistakenly declared a wrong serial number to the FIA F3 Technical Delegate. The serial number that was declared differs only one digit from the correct serial number that should have been declared. The race engineer confirmed that he always doublechecks the declared serial numbers, however this error escaped his attention.
The Stewards agree that the infringement was not deliberate, but merely an administrative mistake from the team's side. It is the view of the Stewards that no advantage was gained during Race 2, as the rear part of the plank itself complied with the relevant Technical Regulations.
However, while the Stewards understand that errors can occur, this error is particularly significant and to this regard, the Steward impose the fine for the error. Moreover, the Stewards believe that a potential future advantage should be mitigated as a consequence to this infringement, and therefore decide to reduce the total number of rear parts of a plank to be used by Car 2 during the 2022 season by two (2).
Having considered the matter extensively, the Stewards determined that the above penalty is appropriate.
Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 9.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
