From	The Stewards	Document	18
To	The Team Manager, Trident Motorsport	Date	25 March 2022
		Time	18:01

The Stewards, having received a report from the Technical Delegate, have considered the following matter and determine the following:

No / Driver 20 - Richard Verschoor

Competitor Trident Motorsport

Time 15:50

Session Practice

Fact The left rear tyre of Car 20 was not the tyre allocated by the Technical Delegate.

Offence Breach of Article 24.5 of the FIA Formula 2 Sporting Regulations.

Decision A fine of 5000 Euros to be paid by the Team. A total of 2500 Euros is to be paid immediately by the Team. A total of 2500 Euros is suspended for the remainder of the 2022 F2 Season, however if the Team commits an infringement under the same regulation, the suspended sum will become due for immediate payment, in addition to any penalty that Event's Stewarding panel may decide to apply.

Reason The Stewards received a report from the Technical Delegate (document 12) The Stewards examined video, timing and photo evidence. They summoned and heard the team representative (document 14).

Having considered the matter extensively, the Stewards determined that the Team interchanged the left rear tyres of Car 20 and 21. The Stewards reviewed video from the Practice Session along with the timing reports for both cars. They determined that the tyres in question were used for the a similar number of laps under similar conditions. Because this is a Practice Session and the tyre usage is similar, the Stewards judge no sporting advantage was gained or lost. Therefore, this Team error can be adequately addressed by the imposed fine.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
