

2022 SPA FRANCORCHAMPS EVENT

25 to 28 August 2022

From	The Stewards	Document	26
To	The Team Manager, Carlin	Date	27 August 2022
		Time	14:54

The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

No / Driver 28 - Enzo Trulli

Competitor Carlin

Time 11:11

Session Race 1

Fact A team member of Car 28 conducted non-authorized work during the race suspension.

Offence Breach of Article 42.4 (b) of the FIA Formula 3 Sporting Regulations.

Decision Disqualification of Car 28 from the results of the Sprint Race.
All cars originally classified behind Car 28 are moved up one place in the Sprint Race classification.

Reason The Stewards examined video and car evidence. They summoned and heard the team representative (document 21). Having considered the matter extensively, the Stewards determined that a team mechanic made rear wing adjustments during the race suspension while the car was lined up in the fast lane.

The Stewards together with the FIA Technical Delegate checked the car's rear wing in Parc Fermé and confirmed that the rear wing of Car 28 had not been damaged during the race.

The Stewards determined that rear wing adjustments are not listed as authorized work during the race suspension in Article 42.4 in the FIA Formula 3 Sporting Regulation, and therefore they are prohibited. Because of the similar nature of a Parc Fermé infringement and the fact that these adjustments may have provided a sporting advantage to Car 28, the Stewards disqualify Car 28 from the results of the Sprint Race.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
