Technical Delegate's Report

Last night team personnel of the McLaren F1 Team, who are associated with the operation of the car, were within the confines of the circuit during the fourteen hour period which commenced at 18:30 on 01 September, eighteen hours before the scheduled start time of P1 and ends four hours before the scheduled start time of P1 at 08:30 on 02 September.

This was the second of the six individual exceptions permitted for the McLaren F1 Team during the 2022 Formula One Championship season and therefore no action should be taken.
