

2022 MONACO GRAND PRIX

26 - 29 May 2022

From	The Stewards	Document	40
To	The Team Manager, Alfa Romeo F1 Team ORLEN	Date	28 May 2022
		Time	16:08

The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

No / Driver	24 - Zhou Guanyu
Competitor	Alfa Romeo F1 Team ORLEN
Time	13:43
Session	Practice 3
Fact	Unnecessary impeding of Car 1 by Car 24 in Turns 15 and 16.
Offence	Breach of Article 37.5 of the FIA Formula One Sporting Regulations.
Decision	Formal Warning for the driver. A fine of €10,000 is imposed on the Competitor,
Reason	<p>The Stewards heard from the driver of Car 24 (Zhou Guanyu) and team representative and examined video and radio evidence.</p> <p>The Team advised the driver of the approach of Car 6 but made no mention of Car 1. The driver of Car 24 appropriately let Car 6 pass, but being unaware of the approach of Car 1 also approaching, unnecessarily impeded that car. The Team admitted it was at fault and taking into consideration the lack of rearward visibility in various parts of this circuit, the Stewards impose the lesser penalty of a formal Warning on the driver.</p> <p>As previously noted, the Stewards stress the importance of accurate and swift communication between the teams and their drivers, and note that drivers must exercise care in where they position their cars, and their respective speeds, during Qualification.</p> <p>The Stewards impose a lesser fine in this case, to that in Document 39, because in this case there was a <u>lack</u> of information, in the former case there was significant <u>wrong</u> information.</p> <p>Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.</p>
