The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

**No / Driver** 16 - Luca Ghiotto

**Competitor** DAMS

**Time** 10:23

**Session** Race 2

**Fact** Car 16 (Ghiotto) was directed to go to the Medical Centre by the Deputy Medical Delegate after the contact between Car 15, Car 10 and Car 16 in Lap 1 of the Feature Race.

**Offence** Alleged breach of Article 12.2.1.i of the FIA International Sporting Code -

**Decision** No further action.

**Reason** The Stewards summoned and heard the driver and team representative (document 73).

The Stewards received notification from the Race Director that the accident alert warning had been triggered in Car 16 during the incident at 10:23. The Medical Delegate requested the Race Director to inform the Team that the Driver must report to the medical centre. The driver was informed.

At the time of the summons to the Driver the Stewards were not informed that Luca Ghiotto had in fact followed the directions of the Race Director. However, the Driver produced a copy of the medical report showing that he did in fact attend the medical centre as instructed although only at 11:30. As such the Stewards take no further action. Drivers are reminded of the importance of always following the instructions of the relevant officials promptly.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
